

NEW PRODUCTS

2018-19

GRAND TRIGGER™

It's here! The single-ply stud that gives the hookup that's desired on lakes and other icy terrains. Featuring a narrow-profile shank, 60° carbide tip, & 1.2" head with anti-rotation lines. Short Big Nuts included.

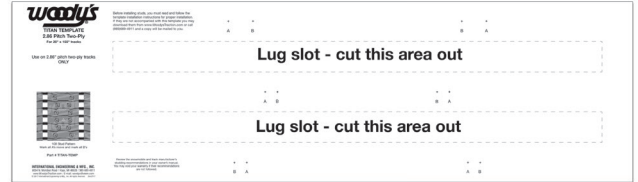

SERIES	PART #	QTY.
1325	GTRG-1325-S	48
1450	GTRG-1450-S	48
1575	GTRG-1575-S	48

TITAN TEMPLATE

This template was designed for two-ply tracks that measure 20" x 155" and have a 2.86 pitch. It creates a pattern of 108 studs with single support plates.

PART #: TITAN-TEMP

SIX-PACKS

Not the kind made at the gym or found in the fridge...

A new package size to help our customers get the quantity they need with all of the track and studding variations. This new package size along with Woody's current package sizes should help reach any quantity we recommend.
